WORDS FROM THE PASTOR

A well-known and renowned Bishop of the 19th century Anglican Church J.C. Ryle, speaking about prayer, said; **"Pray and sin will never live together in the same heart. Prayer will consume sin, or sin will stifle prayer."**

A statement that explains itself. However, it is also worth highlighting, as a key factor and important to know, the fact that prayer is not a common need we have like any other we have in our lives, (whether physical, material or otherwise). The need to pray goes much further, it is given by the fact that **without prayer there can be no relationship with God!** So, when the focus in our Christian life is on anything other than prayer, what is really being affected is our ability to relate properly to God and to know Him better, to understand what He has and wants for each one of us and to become really who He wants us to be.

We need to pray And we need to do it correctly. Not only understanding that **"prayer changes things"**, which is completely true, but even more, understanding that **"prayer changes us."**

ARE YOU DEDICATING DAILY PRAYER TIME? "Do not worry about anything; instead, pray for everything. Tell God what you need and thank Him for everything He has done. " **Philippians 4: 6 NLT**
