GOD MADE IT POSSIBLE!

On Saturday April the 09th 2016, we celebrate what we called a launch, an inaugural service. We did it alongside members and attendants from our sister churches, as well as pastors and leaders from our convention and missionary organization, but specially with the presence of friends and those living in our community, the place where God has placed us to be of an **IMPACT** through the teaching and the practicing of the values we found in The Bible.

It has been 2 years of great challenges but definitely a very special time in which we have been able to witness what God has been doing. Entire families getting to know God and to have a relation with Him through His Church. Many of them even though they are living in the same neighbourhood, they didn't know each other but now they call themselves **"friends"**, **"family"**, and this is something possible only by God's Grace. The Apostle Paul says in the letter to the Ephesians 1:5 **God decided in advance to adopt us into his own family by bringing us to himself through Jesus Christ. This is what he wanted to do, and it gave him great pleasure.**

He has done it and we will dedicate this month to celebrate it. Not only what He has done but what we are completely sure He will continue doing in our midst, because this is His Work. We are His Family, and we understand that it's a privilege for us to be a part of it.

HAPPY SECOND ANNIVERSARY EBCE FAMILY!!!
